

Answer on Question #49518 - Engineering, Other

how to draw a pyramid and its revered by using the function in C program

Solution.

```
#include <stdio.h>
#include <conio.h>

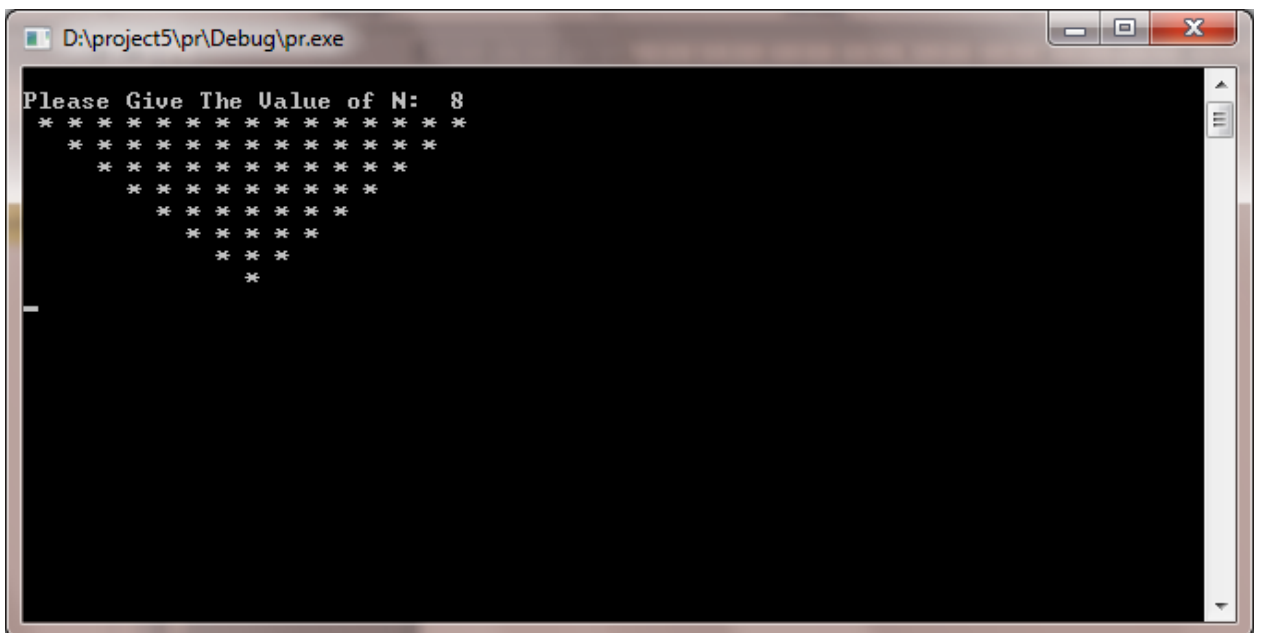

void main()
{
    int i,n,j;

    printf("\nPlease Give The Value of N: ");
    scanf("%d",&n);

    for(i=n; i>0; i--)
    {
        for(j=n-i;j>0;j--)
        {
            printf(" ");
        }

        for(j=2*i-1;j>0;j--)
        {
            printf(" *");
        }

        printf("\n");
    }
    getch();
}
